

# Neck Triangles - Mixed (Hard Version)

*Fill in the blank, then check the answers below*

1. Pre laryngeal lymph nodes -> \_\_\_\_\_
2. Sternohyoid -> \_\_\_\_\_
3. Mylohyoid muscle -> \_\_\_\_\_
4. Sternothyroid -> \_\_\_\_\_
5. Common carotid artery (CCA) -> \_\_\_\_\_
6. Submental veins -> \_\_\_\_\_
7. Hyoglossus -> \_\_\_\_\_
8. Thyrohyoid muscle -> \_\_\_\_\_
9. Internal jugular vein (IJV) -> \_\_\_\_\_
10. Submandibular lymph nodes -> \_\_\_\_\_
11. Jugular arch -> \_\_\_\_\_
12. Occipital lymph nodes -> \_\_\_\_\_
13. Lower part of parotid gland -> \_\_\_\_\_
14. Posterior belly of digastric muscle -> \_\_\_\_\_
15. External carotid artery (ECA) -> \_\_\_\_\_
16. Ascending pharyngeal artery -> \_\_\_\_\_
17. Anterior facial vein -> \_\_\_\_\_
18. Cricoid cartilage -> \_\_\_\_\_
19. Thyroid cartilage -> \_\_\_\_\_
20. Superior laryngeal nerve -> \_\_\_\_\_
21. Cricothyroid muscle -> \_\_\_\_\_
22. Submental artery -> \_\_\_\_\_
23. The 3rd part of Occipital A. -> \_\_\_\_\_
24. Inferior belly of omohyoid -> \_\_\_\_\_
25. External jugular veins -> \_\_\_\_\_
26. Suprascapular vein -> \_\_\_\_\_
27. Submandibular salivary gland -> \_\_\_\_\_
28. Great auricular N. (C2,3) -> \_\_\_\_\_
29. Suprascapular A. -> \_\_\_\_\_
30. Pre tracheal lymph nodes -> \_\_\_\_\_
31. Supraclavicular nerves (C3, C4) -> \_\_\_\_\_
32. Lingual artery -> \_\_\_\_\_
33. Transverse Cervical A. -> \_\_\_\_\_
34. Ansa cervicalis -> \_\_\_\_\_
35. Internal carotid artery (ICA) -> \_\_\_\_\_
36. Inferior thyroid veins -> \_\_\_\_\_

37. Stylohyoid muscle -> \_\_\_\_\_
38. Hypoglossal nerve -> \_\_\_\_\_
39. The 3rd part of the Subclavian A. -> \_\_\_\_\_
40. Nerve to mylohyoid -> \_\_\_\_\_
41. Vagus nerve -> \_\_\_\_\_
42. The spinal accessory N. -> \_\_\_\_\_
43. Deep cervical lymph nodes -> \_\_\_\_\_
44. Thyrohyoid membrane -> \_\_\_\_\_
45. Anterior belly of digastric muscle -> \_\_\_\_\_
46. Submental lymph nodes -> \_\_\_\_\_
47. Sympathetic trunk -> \_\_\_\_\_
48. Occipital artery -> \_\_\_\_\_
49. Lesser occipital N. (C2) -> \_\_\_\_\_
50. Thyrohyoid -> \_\_\_\_\_
51. Facial artery -> \_\_\_\_\_
52. Isthmus of thyroid gland -> \_\_\_\_\_
53. Cricothyroid membrane -> \_\_\_\_\_
54. Supraclavicular lymph nodes -> \_\_\_\_\_
55. Transverse cervical vein -> \_\_\_\_\_
56. Superior thyroid artery -> \_\_\_\_\_
57. Carotid sheath -> \_\_\_\_\_
58. Spinal root of accessory nerve -> \_\_\_\_\_
59. Transverse cervical N. (C2,3) -> \_\_\_\_\_
60. Middle and inferior constrictors of pharynx -> \_\_\_\_\_

## Answers

1. Muscular triangle
2. Muscular triangle
3. Digastric triangle
4. Muscular triangle
5. Carotid triangle
6. Submental triangle
7. Digastric triangle
8. Muscular triangle
9. Carotid triangle
10. Digastric triangle
11. Muscular triangle
12. Posterior triangle
13. Digastric triangle
14. Digastric triangle
15. Carotid triangle
16. Carotid triangle
17. Digastric triangle
18. Muscular triangle
19. Muscular triangle
20. Carotid triangle
21. Muscular triangle
22. Digastric triangle
23. Posterior triangle
24. Posterior triangle
25. Posterior triangle
26. Posterior triangle
27. Digastric triangle
28. Posterior triangle
29. Posterior triangle
30. Muscular triangle
31. Posterior triangle
32. Carotid triangle
33. Posterior triangle
34. Carotid triangle
35. Carotid triangle
36. Muscular triangle
37. Digastric triangle

38. Carotid triangle, *Digastric*
39. Posterior triangle
40. Digastric triangle
41. Carotid triangle
42. Posterior triangle, *carotid*
43. Carotid triangle
44. Muscular triangle
45. Digastric triangle
46. Submental triangle
47. Carotid triangle
48. Carotid triangle
49. Posterior triangle
50. Carotid triangle
51. Digastric triangle
52. Muscular triangle
53. Muscular triangle
54. Posterior triangle
55. Posterior triangle
56. Carotid triangle
57. Carotid triangle
58. Carotid triangle
59. Posterior triangle
60. Carotid triangle
